Dear Colleague,

If you live in one of the above districts, you live in the 30<sup>th</sup> Legislative District. For at least the last term, therefore, you were "represented" by Senator Sean T. Kean, Republican, Assemblywoman Mary Pat Angelini and Assemblyman David P. Rible.

Since his election these representatives have served Governor Christie, following his lead, representing his demands. Most of the governor's venom has been aimed at us; health benefits, pension, tenure, sick day leave at retirement and a loss of our bargaining rights. He has tried to take everything away from us and these "representatives" have bowed to his pressure, followed his lead, done his bidding.

November 8 is Election Day. Each of the governor's representatives above are standing for re-election. We have the opportunity to change the direction of the leadership of this state.

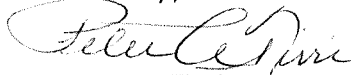

**NJEA HAS ENDORSED THE FOLLOWING FOR ELECTION IN YOUR LEGISLATIVE DISTRICT:**

**Senate – Raymond Santiago and Assembly Vin Gopal**

We urge you to go to the poles and vote for the NJEA endorsed candidates to reverse the Christie Paradigm.

It is imperative that you vote this year, we have lost a lot already- without voting against the Christie Cronies we will lose even more. Thanks. We appreciate your support in our fight for inclusion.

Sincerely,

Peter A. Tirri

Tirri continued, “Since his election these representatives have served Governor Christie, following his lead, representing his demands. Most of the governor’s venom has been aimed at us; health benefits, pension, tenure, sick day leave at retirement and a loss of our bargaining rights. He has tried to take everything away from us.

P.E.A.P.C. Chairperson Maribeth Strumolo has said “November 8 is Election Day. Each of the representatives above are standing for re-election. We have the opportunity to change the direction of the leadership of this state.”

**“NJEA HAS ENDORSED THE FOLLOWING CANDIDATES IN YOUR LEGISLATIVE DISTRICT Senator Robert Gordon and Assemblywoman Connie Wagner (a New Jersey teacher).”**

We urge you to go to the poles and vote for the NJEA endorsed candidates and to refrain from voting for any candidate that supports the continuation of the Christie Paradigm

It is imperative that you vote this year, we have lost a lot already- without voting against the Christie Cronies and in favor of our candidates, we will lose even more. Thanks. We appreciate your support in our fight for inclusion.
